Would you introduce me via letter to Sterling Lord?

no can do. writers have to make publishing contacts on their own by
sending manuscripts to agents and publishers. part of the ritual.

Also, How should I end book??? With Ben Zobbs and Zen and.or their

alter egos, Great Malenko and Mr. K being evil?

Since you are basing the book on these characters definitely not evil, but working for the good, doing what they can to help save the earth.

  Maddy ends up in homeless shelter?

That's okay if she sees it as a mission, to help the shelter out and the people who come there.

  OR party till their old?

Their old? I guess it's theirs. but you mean, they're old. Party with the people in the shelter, show that partying is a way of raising the spirit.

  The Fairy Sivle War Rages, whilst I look for Clews. Something about looking for a Northwest Passage. OR a kool place?

Looking for and finding the Kool Place.
